Then one day his father goes missing, and Nikolas must travel to the North Pole to save him.

Along the way, Nikolas befriends a surly reindeer, bests a troublesome troll, and discovers a hidden world of enchantment in the frozen village of Elfhelm. But the elves of Elfhelm have troubles of their own: Christmas spirit and goodwill are at an all-time low, and Nikolas may be the only person who can fix things—if only he can reach his father before it’s too late. . . .

a great Christmas story... you will love it

By M. Garretson

Very enjoyable read from the mind of Matt Haig that will have you nodding when elves make decisions that parallel the type of political decisions made today. A mean Aunt, a father with a big heart and a boy on a quest.... What a great story! And thank you Mr. Haig!

My seven year old grandson was delighted with this book which he read as soon as he got it. Little bits scary for a seven year old but he loved it nevertheless.
