BEAUTIFUL CREATURES: THE MANGA BY KAMI GARCIA, MARGARET STOHL PDF

As understood, many individuals claim that books are the home windows for the world. It does not mean that purchasing publication *Beautiful Creatures: The Manga By Kami Garcia, Margaret Stohl* will suggest that you could get this world. Simply for joke! Reading an e-book *Beautiful Creatures: The Manga By Kami Garcia, Margaret Stohl* will certainly opened a person to believe better, to maintain smile, to amuse themselves, as well as to motivate the understanding. Every book also has their unique to influence the visitor. Have you recognized why you review this *Beautiful Creatures: The Manga By Kami Garcia, Margaret Stohl* for?

From Booklist

Ethan's only excitement in the small town of Gatlin, South Carolina, comes from the dreams he keeps having about a mysterious girl. But when that girl, Lena, shows up in school, Ethan learns that there are people with dangerous powers living in his town and that he may have a part to play in Lena's tortured destiny. This adaptation of Garcia and Stohl's novel is to the point, but it lacks much of the lush descriptiveness of the original. Unfortunately, there aren't enough pages in the graphic novel to allow for vibrant images to take the place of those prose passages, so readers who only pick up the comic will miss out on some elements. Jean's illustrations do their admirable best, however. Readers will be pleased that Ethan, Lena, and their friends look like actual teenagers, with Lena's gravity-defying hair signifying her otherworldly nature. The mental communication between Ethan and Lena shines through strongly and helps solidify their relationship despite the sometimes choppy abridgment of the story. Overall, a worthy purchase where the novel series is popular. Grades 8-12. --Snow Wildsmith

About the Author

Kami Garcia is a teacher and reading specialist with an MA in education, and leads book groups for children and teenagers. Margaret Stohl has an MA in English and studied creative writing under poet George MacBeth at the University of East Anglia, Norwich. They both live in Los Angeles, California, with their families. *Beautiful Creatures* is their debut novel.

BEAUTIFUL CREATURES: THE MANGA BY KAMI GARCIA, MARGARET STOHL PDF

Winner of the 2013 Goodreads Choice Award for Graphic Novels & Comics!

There were no surprises in Gatlin County.

We were pretty much the epicenter of the middle of nowhere.

At least, that's what I thought.

Turns out, I couldn't have been more wrong.

There was a curse.

There was a girl.

And in the end, there was a grave.

Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever.

Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them.

In a town with no surprises, one secret could change everything.

Wonderful-you won't want to leave....

By Honestly...

Fast paced book with fleshed out characters and interesting story line. Enjoyed every page!

I've read all in the series and can tell you that this series is definitely special. You fall in love with the characters and the setting...a crash course in southern culture :) I'm truly on withdrawl from this series. I was sick of hunger games at the end but this series...I miss. Sigh. There are some "jumps" in some places but all loose ends are taken care of by the series conclusion. I took a day on each book-you won't want to put them down!!! FYI book 2 was probably the slowest-book 3 was probably my favorite.

15 of 16 people found the following review helpful.

Read the books FORGET the movie

By legalbeagle

delivery was super quick; and exactly as described. However, I "hate" that, of course, this set does not contain the DREAM DARK book the Beautiful Chaos paperback does. Oh well, I'll pick up what I need to know from the dear people that dont understand what a review is and give you the whole story. ha! In addition, forego the movie and wrap yourself in the books; its a well done, multi-layered story.(though the transitions could have been better. I fault having 2 writers and slackers at proofing.)

10 of 10 people found the following review helpful.

Great read

By shopgurl

These books are easy to follow yet hard to put down. Passing them around the family as I write this and everyone (16-54 ages) loves the series
