This is a MUST for passing the SPI Exam

By Sherry

I passed my exam this past Saturday and I mainly focused on this CD. The question format is set-up exactly like the actual exam. I only used the study part of the CD. I would go through every chapter and then if I needed further explanation, I would stop on that question and refer to a book I have, as well as look online. I also purchased the Ob/GYN CD and passed that a few months ago! You will not be sorry if you purchase the CD...I am really grateful to Davies for not being outrageously expensive (like some of the other study guides or programs). If you take the time to study this CD and be repetitious...you will pass! Good luck and thank you DAVIES!!!!
