In the 50 years of her ministry, Kathryn Kuhlman may have personally witnessed to her Lord's love and power before 50,000,000 people! For many years she conducted an average of 135 Miracle Services a year. And wherever she held her services, people who once thought miracles impossible, learned to believe in miracles. Before she died, Kathryn Kuhlman asked that only Jamie Buckingham be allowed to write her official biography, withholding nothing. Here is the story of her life, with all her successes and all her failures. It is not the story of a plaster saint, but of a very human woman ? of marriage and divorce, a betrayal within her own staff, of the shadowy events that surrounded her death. It is the story of Kathryn Kuhlman that few knew, as she wanted it told ? all of it. It is the story of the redhead from Missouri who became the foremost woman evangelist of the 20th century.

Daughter of Destiny

By Dameron Jones

Recently, I read "Daughter of Destiny" and found the book to be truly amazing! Actually, I was speechless and had to take time to evaluate the many miracles that God has performed in my life. The book discloses Kathryn's call to the ministry, strengths, weaknesses, and her prayer that the Holy Spirit will always be with her. One of the truly profound strengths of the book is revealed when Kathryn is so strong-willed until she appears to be 'lead by the flesh' resulting in her losing focus on the agenda that God has for her. However, once her focus is completely on God, one is able to see the true manifestation of the Holy Spirit in all His GLORY! In all reality, the book shows how we as Christians sometimes get distracted only to later focus and love Jesus Christ with all of our heart! This book will set you free from the bondages of life! This book is a must read for all Christians who sometimes forget that we are imperfect vessels that God can still use. In addition, it is a great book on how we should be humble when serving a MIGHTY & AWESOME GOD! I guarantee that this book will bring you peace in the midst of any storms in your life as you see that no matter what we do in life, God is still in control. May God keep and bless you as you labor in His vineyard.

Real Christianity

By Kenneth Johnston

This book will greatly encourage those who believe that the spirituality of the book of Acts can be ours today. Like the Bible, it is brutally honest, yet marvellously encouraging spiritually. Abundant proof is provided that miracles are not just for 2,000 years ago. God is alive and well, not just doing miracles in the third world but also here in North America and in the relatively recent past. This is a must read for those interested in ministering with the power of the Holy Spirit
