Great Read, Hard to Put Down

By MomLovesToys

Flying Backwards follows the journey of a woman living a sheltered life in a small town. Stuck in a rut composed of a dead end relationship, a boring office job, and a family business she has little interest in, Eleanor Clark yearns for new experiences and adventures. Gathering all the courage she can muster she applies for a job as an international Flight Attendant. Jennifer W Smith's detailed description of the training Eleanor must go through is both intense and suspenseful. Throughout the book Ms. Smith takes Eleanor on an odyssey of self discovery as she fulfills her need to change her life. The colorful descriptions of the experiences Eleanor encounters as she explores european cities adds to the excitement of this truly captivating book. Things get really interesting (and spicy!) as Eleanor encounters romance and some tough choices. Flying Backwards is as thought-provoking as it is engaging as Eleanor struggles with the challenges of what it's like to figure out what one wants in life. Tough to put down, this book will thoroughly entertain you with Eleanor's adventures.

Lovable characters, great read!

By Author Jennifer Owen Davies

I read this romance in less than a week, and I loved it. The main character Eleanor is a strong and determined lady who makes one decision, which changes her life completely with surprising twists and turns. The descriptions of the places she visits as a flight attendant are excellent, the characters believable, and the three men male love interests make it an enjoyable read. I will be checking out further books by Jennifer Smith.
