Imprisoned by the Romanian Communists for his work in the Christian Underground, and subjected to medieval torture, Wurmbrand kept his faith—and strengthened it. For fourteen years, he shared that faith with suffering cellmates and gave them solace. In solitary confinement, he tapped out his message of hope and Christian love. In Room Four, the “death room”, he helped dying patients even though his lungs were riddled with tuberculosis and his body lacerated and bloody from whips and kicks. Anguished over the fate of his wife and son, he could still tell jokes and stories to make despairing prisoners laugh. Sorely tempted by the promise of release and reprieve, he refused to become a Communist collaborator.

And the miracle is that he survived.

With humble gratitude to God and Christ, he tells his personal story. It’s an inspiring drama of triumphant faith.

this book provides a wake up call to all who think such torture can never happen to them! The author constantly credits his Lord Jesus for coming to him literally at the height of his need, and it shows the futility of man's efforts to break the will of the believer. It is an excellent read for both believer and unbeliever alike - we cannot predict our own reaction to that which we have never yet had to endure, but we can be very sure of our Lord Jesus's very real help in time of need!

Is it rational to believe that Peter and the disciples went to be crucified for a liar?

By Buenoslibros.es

That's one of the logical questions that Mr Wurmbrand posed to his audiences in jail. This man is one of the most intelligent men I have read. An intellectual. A hero of the Christian faith. A man of integrity. Blessed with a long and beautiful life as a reward for all his pains spreading the Good News in Romania during the long Communist dictatorship. years in prisons, being tortured physically and mentally. And never giving up his faith, which was the prize the commies were looking for. It was amazing to see how many, almost all, the commies who had a chance of talking intimately with Mr Wurmbrand would eventually open up their hearts and crack. That tells a lot for the influence of evil spirits on people, people whose soul is naturally Christian -as Wurmbrand says.

A man well-learned, who can talk of science, Shakespeare, Dostoyevsky, ancient history, or almost anything without hesitation, who can give a quick and wise response to any questioner who's trying to ridicule the faith. The book is full of lessons on how to live as sheep "in the midst of wolves... therefore be wise as serpents and harmless as doves." (Mat. 10:16) This was Mr Wurmbrand.

Reading him is learning to be wiser. There is priceless advice on how to face situations that can compromise your faith in Christ. It is not an idealistic, theological treatise, it's simple and handy advice on how to respond to the test of atheists.

Here's one pearl of his philosophy: "A real disciple does not seek gifts but Christ himself, and so is ready for self sacrifice to the end. They were not followers of Jesus, but customers."

Since the persecutions of Christians in ancient Rome, there has been no such hellish scenario up to the communist era in the 20th century. The book is not pessimistic though. It is a wonderful story of victory of faith against all odds. When faith in the Christian God of Israel was put to the test real bad, and boy did it come out alive!

Wow!

What a story! This book was so hard to read at times because it confronted the comfort of western christianity. This book challenged me in a great way.
