About the Author

Stuart Hood read English and Italian at Edinburgh and was a teacher until the Second World War broke out. While serving as an intelligence officer in Cairo, he was captured and, in 1943, transferred to a PoW camp in northern Italy. By this time the Italian fascist regime was collapsing and Hood and 400 others managed to escape the camp in the confusion. He joined the local partisans and became "Carlino", a leader of the Tuscan resistance.

After the war, he worked for many years at the BBC before leaving to go freelance, producing documentaries on war trials and pursuing a successful career as a novelist. He became Professor of Film and Television at the Royal College of Arts in 1971 and taught into the 1990s. He died in 2011.

INTRODUCING FASCISM: A GRAPHIC GUIDE (INTRODUCING...) BY STUART HOOD, LITZA JANSZ PDF

Did Fascism end with the Allied victory over the Axis powers in 1945, or has it been lying dormant and is now re-awakening as we move into the 21st century? Introducing Fascism trace the origins of Fascism in 19th-century traditions of ultra-conservatism, the ideas of Nietzsche, Wagner and other intellectuals which helped to make racist doctrines respectable and which led to the ultimate horrifying 'logic' of the Holocaust.

Introducing Fascism investigates the four types of Fascism that emerged after the First World War in Italy, Germany, Spain and Japan. It also looks beyond the current headlines of neo-Nazi hooliganism and examines the increasing political success of the far right in Western Europe and the explosion of ultra-nationalisms in Eastern Europe and the former Soviet Union.

3 of 5 people found the following review helpful.

Good summary

By Letter Size

Bought a different version in Europe about 15 years ago, great summary of the thinking behind fascism from the English perspective.
