Keeping Secrets...

By Doc of the Bay

This book is really awesome. Hannah Montana kept her identity from her best friend, Lily, and one day Lily had asked her if she could go to the Hannah Montana concert. Miley said that she couldn't because she needed to spend quality time with her brother. The night of the concert Lily snuck into Hannah's dressing room and caught her and found out that Hannah Montana was really her friend, Miley!! I strongly recommend this book to anyone who loves Hannah Montana books! It was great!

If you've seen the TV show, then you'll get a reminder of the story. It tells of how Miley/Hannah try to keep her indentity a secret from friends in the "biz". My daughter reads it with me as we get ready for bed....she's totally in love with the dual girl!
