Seduced by Matteo, a world-famous actor, the once-innocent Jennifer marries the superstar and starts her own acting career. But at the height of their popularity, their busy lives tear them apart and they go their separate ways. They thought it was over, until they bump into each other on the red carpet at the Cannes Film Festival. Although at first tempers flare, in a moment of passion in the elevator they make love once more. A few weeks later, Jennifer starts to notice changes happening within her body...

this is the best movie star relationship that went sour after husband was feeling lonely since wife was out working all the time and no time to spend with husband. so goes out with another woman just for dinner. but the media always make it a little more than what it should be. but when wife finds out from the publications it felt hurt. But husband never once thought that what if his wife was in that situation how would he react. But he still loved her and she was in love with him. from an incident in the elevator they caressed one another and she became pregnant and that ended up being the great thing in the world to rekindle their love for one another and find out the mistakes they made.
