Obsessive Compulsive NFL Fan's Dream

By Lindenhurst Mike

A must for traditional statistic fanatics. Being an obsessive compulsive NFL fan, this is an annual "must have" for the sports library.

The previous year's offensive and some defensive statistics are provided by team and conference/league. Postseason games are briefly summarized. Unfortunately, regular season game summaries and statistics were abandoned several years ago. Yearly milestone leaders are provided such as 1,000 yard rushers and receivers, which is an enjoyable historical perspective. All time team vs team scores, along with all postseason game scores and standings are also provided.

The book is replete with NFL records. Upcoming individual and team milestones are also outlined.

This is a fine reference book that any NFL fan would find very interesting

This is a great record book

By Brad T. Thornsborough

This is a great record book, I had the 2006 edition and thought it would be a good time to get updated, especially when the quarterback of my favorite team is on the cover. Love the season and head to head history this book features. and of course all the individual records are included. This is also a great argument settler.
