Excellent little gem from Gingetsu (cough-cough)... I mean Shigetsu!

By hyogoken

This was an excellent little gem that Mr . Shahan found and translated. The relationship that ninjutsu has to senjutsu has been a topic of my own study for several years now and this book, although small in pages count, holds rather large in importance. The unique sounds and scents of Gingetsu Itoh's works seem to be nearby with this one. Regardless of the origin of Doshi Shigetsu, I highly recommend picking this up along with other works that have been translated by Mr. Shahan and his crew.
