Divorce a husband, lose a career ... grapple with a murder.

TV journalist Elizabeth “E.M.” Danniher will tell you she committed two sins — she didn’t stay young, and she made an enemy of a powerful news executive — her ex. She used to break national news. Now her top story as the “Helping Out!” reporter at dinky KWMT-TV in Sherman, Wyoming is getting a defective toaster repaired.

Tough, funny and determined, Elizabeth wrestles with isolation, keeping a professional edge, and an evolving self-image. Is Wyoming — the land of cattle, cowboys, tumbleweeds, and fewer than six people per square mile — her new home or a road to permanent obscurity?

Soon she’s in a battle of wills with ex-football player turned journalist Mike Paycik, who sees her as a handy rung on his career ladder. And there’s the matter of a deputy sheriff—missing or murdered? Elizabeth finds herself investigating at the insistence of a girl who’s set on proving her father’s innocence. Not that enigmatic rancher Thomas Burrell makes investigating easy for an amateur detective.

But Elizabeth won’t fade to black without a fight, no matter how final some might want to make her SIGN OFF.

What readers are saying about SIGN OFF:

“This is one of those books that you want to stop everything to read while hoping it never ends.”

“Sign Off is a brisk, enthralling page-turner” – P.B. Ryan, bestselling author

"That was fun"

“Colorful characters, intriguing, intelligent mystery, plus the state of Wyoming leaping off every page.” –
Emilie Richards, USA Today Bestselling Author

“Be prepared for lots of twist and turns.”

“I read it in one sitting. I hadn't planned it that way, but just couldn't stop.”

“The characters were a mix of funny, sad, and quirky and were totally believable. There was just enough humor to lighten the story, but not to disrespect the seriousness of crime.”

Great start to a new series

By DIANE J

I was a little wary about buying the book, I don't generally but much mystery/suspense. However, when I realized the book was by Patricia McLinn (I have really enjoyed her books in the past), I decided to give it a chance. I really enjoyed it. I read it in one sitting. I hadn't planned it that way, but just couldn't stop once I was in the middle. The characters really made me care about them. I can hardly wait for the next one in the series.

By Clare O'Beara

This is better-quality than many small-town mysteries. A deputy who vanishes in his pickup truck amid Wyoming mountains and a TV reporter who used to be an investigative journalist are at the core of the tale. Deputy Foster Redus, who had a way with the ladies but didn't respect them, was last seen after Thanksgiving but is still missing when Elizabeth Dannihier arrives at Sherman's small TV station in April. Elizabeth had been working in NY but has been demoted since her divorce until she sorts out her life. Then a determined young girl asks her for help, despite the fact that the help she gives is officially limited to consumer affairs.

Tamanda Burrell thinks her father is unfairly blamed for the deputy's disappearance - he has lost business and friends, and will lose joint custody of Tamanda if his ex-wife has her way. Redus had been seeing Tamanda's mother, giving Burrell motive. Only a brusque investigation was carried out by the sheriff and Elizabeth has to wonder why the local law enforcement wasn't more interested in finding one of their own. Aided by Mike, a younger reporter who wants mentoring, she hones her rusty investigative skills and interviews everyone in town. Mike's aunt who works in the sheriff's office is a source of unofficial gossip and Deputy Alvarez is also helpful, but the more influential citizens generally stymie the reporters. The women Redus had been with somehow each believe he was coming back for them, though resentful of his other conquests. Then Redus's truck and body are found pushed off a mountain road, and matters take a more sinister turn.

The setting is excellently described, from the struggle to make ranches pay to the mineral resources, the artery-clogging food and long empty sweeping vistas. Elizabeth is a sympathetic and believable character as is Mike, a ball player who retired when his knees gave trouble, but has plenty of resources and brains to carry on his second career. And behind the scenes at the TV station is never dull, what with the anchorman and other reporters afraid Elizabeth will steal their careers and sabotaging her slots, but the stalwart camera operator Diana supporting her.

I spotted a few twists being flagged, and found it hard to believe that a young man would be so upset by the secret of his sexuality being discovered that he would kill himself - would he not just go to work in a city? But bullying does cause deaths among young people and it may be that this could happen in Wyoming. I also found the ending less than believable with the reporters managing to get important personages on camera while they accused someone of murder. Wouldn't they all say no comment, want my lawyer, get out? But maybe she couldn't think of another way to force the sheriff's hand.

McLinn was editor at the Washington Post for more than 20 years and has many previous books to her credit. Crime fans will agree that this is an excellent read, turning quickly from light to tragic and with plenty of human touches.

4.5 star read

By K. Branfield

Sign Off, the first book in P.A. McLinn's Caught Dead in Wyoming series, is a fast-paced and intriguing mystery. Unable to resist her curiosity (and Tamantha Burrell), Elizabeth Danniher and sportscaster Mike Paycik look into the disappearance of Deputy Foster Redus. Did he leave under his own volition? Or did Foster meet with foul play? Their investigation exposes corruption, dirty politics and secrets that might just drive a person to kill to keep hidden.

Elizabeth Danniher's exile in small town Sherman, WY is only a temporary setback following her divorce and the subsequent loss of her network job. Dealing with the petty jealousies of an insecure anchorman and some of her co-workers, Elizabeth is trying to make a success of her "Helping Out" segment. When second grader Tamantha Burrell approaches Elizabeth and asks her to help prove her father's innocence in Foster's disappearance, Elizabeth is reluctantly drawn into investigating the unsolved case. The further she delves into the case, the more inconsistencies she uncovers in the original investigation and she easily slips back into full investigative journalist mode. Stonewalled by the police and hindered by interoffice feuds, Elizabeth is determined to uncover the truth surrounding Foster's untimely disappearance. When Mike Paycik offers her an inside track to information, Elizabeth reluctantly joins forces with the ambitious sportscaster.

Elizabeth is a beautifully developed and engaging protagonist. She is caring and compassionate with an innate sense of justice. Trying to adjust to rural living is not easy and as she navigates uncharted territory, Elizabeth provides a humorous view of the inner workings of a television station, small town life and its politics.

Equally likeable is the charming and resourceful Mike Paycik. Mike is a local man who returned to Sherman after a knee injury ended his football career. His interest in Elizabeth is more than professional (much to her dismay) and I enjoyed the byplay between them as they delve into mystery surrounding the missing deputy.

Deputy Foster Redus is a completely reprehensible character. With motives and suspects quickly piling up, Elizabeth and Mike go round and round in circles trying to figure out who had the most compelling reason to get rid of the despicable deputy.

Sign Off is an entertaining story with a compelling storyline and a wonderful cast of characters. The mystery

aspect of the novel is especially well done with many twists and turns and a suspect list a mile long. P.A. McLinn has a fabulous writing style and she brings the small town of Sherman, WY and its inhabitants vibrantly to life. I am eager to see what lies ahead for Elizabeth, Mike, and the other residents I met in this wonderful first installment of the Caught Dead in Wyoming series.

An excellent beginning to a promising new series that I highly recommend.

I received a complimentary copy for review.
