Speak English for Success review

By B. W. Seal

Has some fun and interesting activities for ESL students. I would have given it five stars, but have found I needed to change parts of some of the activities to make the exercise move along faster and be more challenging. Example: the board games where there are too many "lose a turn" which I found made the game go on too long.

Great

By Ivan Murillo (Gye, Ecuador)

The book contains a lot of topics for interviews, dialogues, talks etc. I highly recommend it for a speaking class. It's really useful.

Full of Good Ideas

By Betty J. Butler

Lots of useful techniques and ideas for speaking and writing. Ready to go. For short or long lessons or units.
