Nice clear images printed one-sided on non perforated black paper

By CarlyThoughts

Nice clear images printed one-sided on non perforated black paper. I'm loving this style of swear words because it's much easier to read than when they jumble it on top of a bunch of floral designs. I highly recommend you check this book out because it's a lot of fun.

It's wonderful to have something to color besides happy, happy gooey all the time!

By A. Rush

This coloring book is hilarious! I like the black pages as a change of pace from typical white page coloring books.

The sayings are mostly not too raunchy. I would rate it PG, or at the most PG13.

These are one sided pictures. You can use the blank sided to test colors, etc. And you could hang the picture without losing one.

Great stress relief. It's wonderful to have something to color besides happy, happy gooey all the time!

I received this product for free or at a discount in exchange for my honest and unbiased review.
