2 of 2 people found the following review helpful.

### Useful Book

By Joshua Ethan Morin

This is a very thorough book with good information for both the trainee and experienced climber. It has good illustrations for the various knots and rigging techniques

2 of 2 people found the following review helpful.

It's an investment in your abilities

By Charles Erickson

Drawing are very explanatory while the content is explaining what really looks good to use but really isn't time effective.
