This letter could not influence you to be smarter, but the book *The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet* that we provide will evoke you to be smarter. Yeah, at least you'll know greater than others that don't. This is what called as the top quality life improvisation. Why ought to this The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet It's considering that this is your favourite theme to check out. If you such as this The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet theme about, why do not you read guide The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet to enrich your conversation?

The presented book The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet we provide here is not kind of typical book. You recognize, reading now doesn't mean to handle the published book The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet in your hand. You could get the soft file of The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet in your gadget. Well, we indicate that guide that we extend is the soft file of the book The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet The content and all things are exact same. The difference is only the forms of the book The Erasers (Robbe-Grillet, Alain) By Alain Robbe-Grillet, whereas, this condition will specifically pay.

THE ERASERS (ROBBE-GRILLET, ALAIN) BY ALAIN ROBBE-GRILLET PDF

Alain Robbe-Grillet is internationally hailed as the chief spokesman for the nouveau roman and one of the great novelists of the twentieth century. *The Erasers*, his first novel, reads like a detective story but is primarily concerned with weaving and then probing a complete mixture of fact and fantasy. The narrative spans the twenty-four-hour period following a series of eight murders in eight days, presumably the work of a terrorist group. After the ninth murder, the investigation is turned over to a police agent, who may in fact be the assassin.

Both an engrossing mystery and a sinister deconstruction of reality, *The Erasers* intrigues and unnerves with equal force as it pull us along to its ominous conclusion.

not your typical mystery novel

By K Peterson

While this is billed as "a pure detective tale or as a complex, many leveled novel," those who are expecting a whodunit will be disappointed. There is certainly a crime: for the eight days preceding the opening of the book a murder has been committed in some part of the country at the same time every day, presumably by the same terrorist group. Now economist Daniel Dupont has been murdered, or has he? Wallas is sent from the Bureau to solve the crime---or is he really the assassin? The book has action and even an ending, but there the similarity with the mystery novel ends. It is more like the British television series "The Prisoner" that aired in the 70's.

The action goes back and forth between flashbacks, characters, and ruminations. The same scene is described over and over from the viewpoint of different characters...or is it an imagined event? One character climbing a stairs dissolves into another character climbing a different stairs (or is it) dissolves into another (or is it) character obsessing about how he will climb the same set of stairs. The sound of a buzzer dissolves into the sound of a woman's voice. Another character plans a detailed suicide, but it is only in the imagination of the local police inspector, who realizes there are social limitations to who can be accused of a murder and is determined to report a believable suicide. And is it the hero staring into the canal or the bartender staring into the fishtank?

In the end we are left to sort out the fantasies from actual happenings and possible motivations. The author gives cryptic clues: a picture of lightning striking a tower as two figures fall out of it resembling a tarot card, and the mutterings of a drunk who spouts riddles about Oedipus "What animal is parricide in the morning, incestuous at noon, and blind at night?" Who is betrayed, and who is a position to betray? And what about the theory of the inspector's assistant that an illegitimate son has committed murder to collect the inheritance?

If you like 'The Prisoner', you will like this. If you want a mystery novel with predictable dialogue and action, pick up Agatha Christie or Mickey Spillane.

Buy This Book!

By K. DeV

I read this many years ago after borrowing it from a friend and had to buy it now to own it and re-read it. My friend read it for a class and came to love it. He told me about and I found the plot intriguing. It's more than that. It's fascinating! Robbe-Grillet writes in such an unusual style which you soon grab on to, and then it pulls you in. As another reviewer said, take nothing for granted. Everything is important. If you like trite stories with no plot aside from the "been there done that" type, then don't buy this. You'll probably hate it. But if you enjoy being captivated by a story, and want a story and plot line to take you somewhere, this is it. This is a story which requires you to think. The story and the plot fold in and on themselves and becomes tangled, but then unfolds and reveals the brilliant mind of the author. A literary masterpiece!

A perpetual exercise in doubting 'the facts'; great mystery

By A Customer

The narration and elaborate descriptions in this book lure the reader in more and more. You cannot let one single aspect of the narration escape you, it's too important to the impact of the ending. There is also a plot within a plot in this book; the unfolding of events is extremely well done. I couldn't put it down because as the reader, you feel more omniscient than the characters and can't wait to see the final outcome.
