THE JULIA SERIES: TEACHING, TRAINING, TAMING BY BREE DAHLIA PDF

** Sale price of 99 cents for a limited time **

"I don't want to be a virgin on my wedding night."

Julia seeks to liberate herself from her sheltered upbringing, and she wants Mr. Blackwell to teach her everything he knows about the Art of Lovemaking.

She never expected to like erotic pleasures?much less adore and crave them?and when her innate submissive nature is explored, Julia experiences a world unlike any other.

Restraints have never made her feel so free.

Mr. Blackwell finds Julia sweet and so very exquisite, but he is hesitant of her request?he is not used to taking it slow. His self-control is non-negotiable; one wrong move and he could ruin her.

He has enjoyed his fair share of women before, but she is different than all the rest. She is both passionate and pure, and soon he realizes there is nothing he wouldn't do for her.

He takes great delight in pushing her boundaries, giving her everything she desires, and fulfilling her deepest needs along with his.

All is perfect until Julia's innocence leaves her open to the seductive power of temptation, and Mr. Blackwell's fears are exposed. She must struggle with unfamiliar emotions and terrifying lustful feelings that threaten to devour her, and it becomes clear that not everything in life can be taught.

This is the Julia Collection containing the first three novellas in the series:

Teaching Miss Julia

Training Julia

Taming Julia

quick and sexy

By Jennifer Schaber

I'm not sure of the actual time period of the story - it seems both modern day as well as historical at different times during the read.

Part 1 (Teaching) was pretty HOT. Julia is quite naive where men and sexuality are concerned (as well as life in general) and wants Mr. Blackwell to teach her. This has been a real page turner and I can't wait to see what happens next.

Part 2 (Training) is just as HOT as Teaching. Julia really comes into her own with Ian's love and support.

Part 3 (Taming) is where I have my issues. This has a bit of deception, dishonesty, manipulation and interference thrust upon their marriage. While Ian cites Julia's strength in the book, I only saw a weak and timid little girl in the end - and that really put me off.

Overall, it's not a heavy book and the eroticism is off the charts. Bree writes the intimacy incredibly well. If you are looking for a quick and sexy read without a lot of crazy story line getting in the way, this is a great one to relax into.

I received a copy of this book in exchange for an honest review.

It's an interesting read

By Beth Crader

It's difficult to really comprehend everything about this story. Julia is a repressed young woman who has parents who believe that all sexual activity is disgusting and leads to evil. Ian is her husband and a therapist who specializes in sexual disorders. They start her education into sexual activity before the wedding because she wants to know how to please her husband. It's difficult to figure out when this occurs because there is absolutely no mention of electronic devices, music, or anything besides cars and telephone. Her parents sound as though they live in a past century although there are people who believe that sex should only be for procreation and in the dark. Her sexual awakening is interesting but the fact that she isn't able to express herself verbally causes trouble. Good story

Loved it! Hot!!

By amyde1201

Fast-paced and HOT! The first book was my fave, but all three books were great. You kept wanting her lessons to progress a little farther and felt her disappoint each time. Loved the surprise ending to the first book.

I received a free copy of this book in exchange for an honest review.
