Review

“Narayan makes this treasury of Indian folklore and mythology readily accessible to the general reader. It is an easy and pleasant introduction to a heterogeneous and complicated work. The language of Narayan’s translation is clear and direct; he captures the spirit of the narrative.” (Library Journal)

“Narayan is a trustworthy guide to the heart and mind of India.” (Sunday Times)

From the Inside Flap

The Mahabharata, together with the other great Sanskrit epic, the Ramayana, embodies much of the cultural and religious heritage of India. Based on the narrative of the great war between the Kauravas and the Pandavas, it tells of warriors, kings, saints, and goddesses caught up in the romance and drama of family intrigue. With its diversity of plots and themes-including the philosophical teachings of the Bhagavada Gita-the Mahabharata has entertained and influenced Indian audiences for nearly two thousand years. R. K. Narayan's abbreviated prose version provides a superb and elegant rendition of this great epic.

About the Author

R. K. Narayan (1906–2001) was one of the most prominent Indian novelists of the twentieth century. His works include Mr. Sampath—The Printer of Malgudi, Swami and Friends, Waiting for Mahatma, and Gods, Demons, and Others, all published by the University of Chicago Press.

As a result of this factor, checking out publication must be started from earlier. It is as just what you could acquire from guide The Mahabharata: A Shortened Modern Prose Version Of The Indian Epic By R. K. Narayan

Obtain the benefits of reviewing practice for your lifestyle. Schedule The Mahabharata: A Shortened Modern Prose Version Of The Indian Epic By R. K. Narayan message will certainly always relate to the life. The reality, knowledge, science, health and wellness, religious beliefs, home entertainment, and a lot more could be located in created publications. Lots of authors offer their experience, scientific research, study, and also all points to share with you. Among them is through this The Mahabharata: A Shortened Modern Prose Version Of The Indian Epic By R. K. Narayan This book [The Mahabharata: A Shortened Modern Prose Version Of The Indian Epic By R. K. Narayan](#) will offer the needed of message as well as declaration of the life. Life will certainly be finished if you understand a lot more things via reading publications.

THE MAHABHARATA: A SHORTENED MODERN PROSE VERSION OF THE INDIAN EPIC BY R. K. NARAYAN PDF

The Mahabharata tells a story of such violence and tragedy that many people in India refuse to keep the full text in their homes, fearing that if they do, they will invite a disastrous fate upon their house. Covering everything from creation to destruction, this ancient poem remains an indelible part of Hindu culture and a landmark in ancient literature.

Centuries of listeners and readers have been drawn to The Mahabharata, which began as disparate oral ballads and grew into a sprawling epic. The modern version is famously long, and at more than 1.8 million words—seven times the combined lengths of the Iliad and Odyssey—it can be incredibly daunting.

Contemporary readers have a much more accessible entry point to this important work, thanks to R. K. Narayan's masterful translation and abridgement of the poem. Now with a new foreword by Wendy Doniger, as well as a concise character and place guide and a family tree, The Mahabharata is ready for a new generation of readers. As Wendy Doniger explains in the foreword, "Narayan tells the stories so well because they're all his stories." He grew up hearing them, internalizing their mythology, which gave him an innate ability to choose the right passages and their best translations.

In this elegant translation, Narayan ably distills a tale that is both traditional and constantly changing. He draws from both scholarly analysis and creative interpretation and vividly fuses the spiritual with the secular. Through this balance he has produced a translation that is not only clear, but graceful, one that stands as its own story as much as an adaptation of a larger work.

A little "too abridged"?

By C. E. Stevens

Having just been mesmerized by my exposure to Indian literature through Ramesh Menon's outstanding version of the Ramayana, I looked to continue my journey through this corner of the literary world by reading the Mahabharata. Unlike the Ramayana and the Bhagavad Gita (which I intend to read next), no version of this tale jumped out at me on my perusal through Amazon reviews. I decided to give Narayan's version a shot due to name recognition and popularity. Having just finished the tale, I have mixed emotions. On the one hand, I found the story itself to be interesting and Narayan's prose to be quite readable; on the other, I felt like I just scratched the surface of this great tale. I typically avoid abridgments, and should've known better than to think that an epic could be reduced to a mere 190-some pages, but I was truly disappointed by the abbreviated nature of this version. After relishing the richness of Menon's Ramayana, I felt like this version captured neither the rich grandeur needed to appreciate the scale of the epic nor gave the attention necessary to allow the reader to dwell on the deeper philosophical points. Because unlike the Ramayana, which was truly an archetypal "good versus evil" struggle, the Mahabharata is full of interesting moral wrinkles because it keeps the battle in the family. Brother fights brother and protege fights mentor, as several generations of this family are involved. Although the Kauravas (and Duryodhana in particular) are cast as the instigator and oppressor, I cannot fully disagree when Duryodhana gives his side of the story or when Yudhistira has his misgivings both before and after the war. Most emotionally and philosophically poignant are the doubts of the stoic and brave Arjuna as the families are at the brink of war. More so than the battle itself it was these moral and philosophical issues that I found most interesting.

Fortunately, it is my understanding that the conversation between Arjuna and Krishna (which consists of only a paragraph or two in this version of the Mahabharata) comprises the bulk of the Bhagavad Gita, which I am immensely excited to read next. As for the Mahabharata itself, Narayan's version gave me a bare bones introduction ... but I will need to revisit this tale through a different version to truly feel well-versed in the epic. As other reviews state, read Narayan for a very basic introduction to the story. However, overall it felt a little "too abridged" to do either the story or the moral underpinnings of the story the justice they deserve.

An impossible task made possible...(3.5 stars)

By David Fowler

Reducing the Mahabharata to a digestible narrative is VERY difficult (the poem being about 8 times longer than the Iliad and Odyssey combined). However, Narayan has done a nice job in his attempt, and a text that would otherwise be almost totally inaccessible due to its daunting size, is made thus accessible. So, job well done on that score. However, so much is left out, elided or smoothed over that it's hard to really make use of

the text as a means of understanding the Mahabharata's epic style and points of interest. If you want to simply acquaint yourself with the overall basic (but still incomplete) narrative then this is a reasonable option, but if you want to enter the world of the Mahabharata on a level anywhere approaching its cognate Greek cousins - this is woefully incomplete. For that purpose I would begin looking at Narasimha's work and that of J.D. Smith. If you REALLY want to enter this world there is the still incomplete Chicago translation, the Clay Sanskrit Library rendering (also still incomplete and not based on the critical edition), or the, again still incomplete (but moving faster than the rest), rendering by Bibek Debroy.

Beautiful book

By Amazon Customer

I'm reading this for class, but I have to say that I actually enjoyed this novel! Usually, I cringe at the types of books required for each class, but this one was a delight. The characters are aplenty, but each one is unique and implicitly complex. The plot about two families fighting for rule will have you nonstop reading, waiting to find out who conquers!
