In a time of mystery and magic, one man is seeking to find his destiny. Prince Thrain Blackwater is on a deadly mission to capture the one who can help him get his revenge and make him whole. But in order to do so, he must perform an act of brutality that will alienate the man he hopes to claim as his own.

Prince Elias Trueheart is a Null—a noble of the royal Trueheart line who has no magic of his own. Resigned to a life of obscurity, his entire world is turned upside down the night Thrain comes for him. After the Blackwater prince claims him in a way Elias feels he can never forgive, he kidnaps him as well and drags him back to the snake pit he calls home—Castle Black.

Thrain is certain Elias will hate him forever—and he doesn't blame the other man a bit. Still, he hungers for Elias's love and will do anything to earn it, even if it means facing down his brutal older brother who wants Elias for himself. But will Elias ever return his feelings or is he incapable of forgiving Thrain's crime? He will have to make up his mind very soon for beneath the dark and dangerous Castle Black lies a secret that will unlock Elias's magic and a deadly riddle that will put both his life and Thrain's in peril.

Till Kingdom Come

By mnix

A prophecy told to second son, Prince Thrain Blackwater, many years ago is at last coming to fruition. Thrain hadn't truly believed the prophecy until recently when he met Prince Elias Trueheart during the intricate Spider's Web dance in the presence of his father, King Ungor and Elias's mother, Queen Alaina.

King Ungor sends eldest son Prince Baynor and Thrain to attack the Trueheart castle with orders to kill everyone. Thrain races through the castle to save Elias from certain death, to save their future together. Unfortunately, Thrain is forced to commit a heinous act upon Elias to save him from Baynor's brutality and a slit throat.

How will Elias ever forgive Thrain for the night his innocence was taken? Somehow Thrain must let go of the guilt as Elias must put the past to rest. Otherwise, their future and a prophecy for both kingdoms will never come true.

Prepare yourself for a dark and passionate tale in `Til Kingdom Come. Firmly set in medieval times, the characters are definitely a product of the period with their physicality, attitudes, and motivations. There is a warning here since non-consensual sex takes place. Although pivotal to the plotline, the forced sex still won't be accepted by some. Thrain is able to redeem himself and considering his upbringing, that's saying

something while Elias manages to mature under the care of his lover. `Til Kingdom Come explores forgiveness, redemption, and the true power of love with a one, two punch.

Amazingly good , hot and thorough!

Okay,

I know I shouldn't write the review before I finish the book, but it is so good I had to. I'm almost done, but it's so good I slowed down because... yes you know... I don't want it to end.

So I paused and clicked to Amazon to see what other M/M books the author has available anticipating a heavy sense of loss, when I complete it.

Besides being nicely paced, hot and explicit in a sensible way... this book had me laughing in joy at some of the awkwardness expressed by the 2 characters trying to feel out each others true feelings.

The author has a real feel for the awkwardness and excitement of the beginning of a relationship. And the story details outside of the love story were captivating and well done, a real story... good length for the money, as well.

Well I'm going to go sample her other books... you, well you should purchase this one. :)
