## About the Author

Michael Batts has more than 25 years of experience serving on nonprofit boards and advising nonprofit organizations on matters related to board governance, financial reporting, tax compliance and strategy, corporate structure, international activities, and related issues. Mike is the president and managing shareholder of Batts Morrison Wales & Lee, PA, an Orlando-based accounting firm dedicated exclusively to serving nonprofit organizations and their affiliates throughout the United States. He is an accomplished author and national speaker on matters related to the nonprofit sector. Mike has actively engaged in nonprofit legislative matters, having drafted and lobbied successfully for a number of state statutes for nonprofit tax exemptions and having served on the Legal Framework Workgroup of the Panel on the Nonprofit Sector, a legislative advisory panel formed at the request of the U.S. Senate Finance Committee Chairman. He previously served as chairman of the board of ECFA, a national organization that accredits religious nonprofit organizations in the areas of board governance and financial integrity. He currently serves on ECFA's board and is the chairman of its Standards Committee. Mike was recently appointed chairman of the Commission on Accountability and Policy for Religious Organizations, a national commission convened by ECFA upon the request of Senator Charles Grassley to address accountability and policy issues related to religious and other nonprofit organizations.

If you lead a church and are concerned about the tax implications of unrelated business income, this is the book for you. Unrelated Business Income and the Church demystifies the bewildering and intimidating world of tax rules governing alternative sources of revenue and arms you with tips and strategies to safeguard your nonprofit status. Many myths and fables surround the topic of generating unrelated business income. “You can’t do that, it’s illegal!” and “If you do that, you will lose your tax-exempt status!” are some of the common fear-mongering statements made by many in the nonprofit sector who don’t know the facts. The author, nationally prominent CPA Michael Batts, lays the myths and fables to rest by not only telling you what you can't do, but more importantly, what you can do! His favorite part of this book is Chapter 5, which is entitled: Generating Income from Activities without Generating Unrelated Business Income.

Finally--clarity for churches on unrelated business income

By Dan Busby

Having been involved in the church sector for most of my professional career, I can attest to the need for clearly written information on the topic of unrelated business income for churches. How many times I have heard someone say: "The church will lose its tax-exempt status if they are involved in activity A, B, or C." While there may be federal income tax to pay on unrelated business income, there rarely is a challenge to a church's tax-exempt status. Michael Batts clarifies this and many other related issues in this marvelous book. It is a "must read" for every church leader!
