Review

Praise for the Cupcake Bakery Mysteries

“Jenn McKinlay delivers all the ingredients for a winning read.”—Cleo Coyle, New York Times bestselling author

“[McKinlay’s] characters are delicious.”—Sheila Connolly, New York Times bestselling author

“A real treat...I gobbled it right up.”—Julie Hyzy, New York Times bestselling author

“A spirited heroine, luscious cupcakes, and a clever murder...a sweet read.”—Krista Davis, New York Times bestselling author

“A tender cozy full of warm and likable characters.”—Publishers Weekly (starred review)

About the Author

Jenn McKinlay, New York Times bestselling author of the Cupcake Bakery mysteries, including *Dark Chocolate Demise*, *Sugar and Iced*, and *Going, Going, Ganache*, has baked and frosted cupcakes into the shapes of cats, mice, and outer space aliens, to name just a few. Writing a mystery series based on one of her favorite food groups (dessert) is as enjoyable as licking the beaters, and she can’t wait to whip up the next one. She is also the author of the *Hat Shop Mysteries* (*Copy Cap Murder*, *At the Drop of a Hat*) and the *Library Lover’s Mysteries* (*A Likely Story*, *On Borrowed Time*). She lives in Scottsdale, Arizona, with her family.

VANILLA BEANED (CUPCAKE BAKERY MYSTERY) BY JENN MCKINLAY PDF

In the eighth in the New York Times bestselling series by the author of *Dark Chocolate Demise*, the Fairy Tale Cupcake crew goes double or nothing in Vegas...

Melanie Cooper and Angie DeLaura are taking a gamble by opening their first franchise of the Fairy Tale Cupcakes Bakery, so where better to hit the jackpot than in Vegas? Business manager Tate Harper has lined up a meeting with Holly Hartzmark, a former showgirl who's looking to bring Mel and Angie's sweet treats to Sin City, but Mel isn't so sure she's ready to hand her recipes over to a complete stranger—especially one as brash as Holly.

But after the potential bakery location gets blown up, Mel begins seeing another side to Holly—one that reminds her very much of herself. Determined to help a kindred spirit, Mel sets out to discover who is trying to keep the bakery from cashing in. But with a murderous mischief maker on the loose, the odds are stacking up against a happy ending for Mel and her friends...

Another scrumptious mystery!

By Sue Keefer

Jenn McKinlay's cupcake bakery mysteries are as delicious as the yummy cupcake recipes in the back of the books! Vanilla Beaned is no exception! McKinlay serves up hold-on-to-your seat mysteries with cups-full of humor and romance! Who's breaking up? Who's getting married? I'll never tell! This latest mystery is set in Las Vegas, and along with the regular cast of characters we've learned to love, she throws in a dash of showgirls and a soupçon of Elvis impersonators, just to keep us entertained! Look for another "I didn't see that coming" ending, and you'll be ready to devour the whole series, if you haven't already!

This series never gets old

By D. Zendel

Melanie Cooper is struggling with franchising her "baby," the Fairy Tale Cupcakes Bakery. She's kind of a control freak anyway, and the first franchisee is a former Las Vegas showgirl, so Melanie is worried about the stability and success of the franchise. Mel and her bffs and partners, Angie DeLaura and Tate Harper, travel to Las Vegas to meet with the franchisee. Things go downhill quickly when the suggested location gets blown up and someone drives a car into the second location. Mel takes a shine to the showgirl and does her best trying to figure out who's trying to take them out of the cupcake game.

Book no. 8 in this series is just as good as the previous seven. The plot is interesting, the relationships between the characters continue to grow, the dialogue is witty (love the game Mel, Angie and Tate play with movie quotes), the setting is well-described, there's a nice touch of romance for several of the characters, and I can just smell the cupcakes baking. Even the secondary characters are fully-drawn and entertaining.

Reading this series is like hanging out with old friends. Each mystery builds upon the previous one, so I recommend reading them in order to increase enjoyment. I look forward to the continued adventures of Mel, Angie, and Tate. This is a series I will want to re-read.

Disappointed

By MysteryKat

This author writes mysteries very well, That captivate the reader, this one anyway. However, the setting changed from the bakery to Vegas. Was it a variation on a theme or something else but for me, it just didn't work. Part of the mystery and drama is the interaction of all the characters, family included, and that was missing.

I struggled to continue reading at several points but always finish what I start. I'll just consider this an aberration in this series and look forward to the next installment to have the cliffhanger resolved.
